Dear John:

Several months ago I asked Harold Weisberg if he could send m a copy of his Click magazine article predicting Pearl Harbor. H said that he could not locate the copy you had sent him and aske that if I wrote you for a copy I should also request that you sen him another. After some months of being lost amongst my many pile of papers on various desks and other surfaces, including the poo table, your March 26, 2001, letter to him has surfaced. I take i that the article in the November 1941 issue of Click entitle "Japan's Mein Kampf" is the article I would like to have. I would appreciate it if you could send it to me.

Sincerely yours,

Jim Lesar
